

Mazen Touati

[Full-stack web developer]

Website: <https://mazentouati.github.io>

Phone: [REDACTED] - Email : mazen_touati@hotmail.com

I'm a 22 year old full stack web developer from Tunisia. I carry both technical and academic knowledge. Through the years, I've acquired the ability to solve problems and adapt to changes. As an innovative individual, I'm able to dive into new challenges and to explore new ideas.
